Dear Ms. Pohl:

I simply cannot thank you enough for the Blair Type 1 Diabetes Foundation's gift to Children's Hospital of Pittsburgh Foundation, supporting the innovative diabetes research of Dr. George Gittes.

We are beyond excited by the strides Dr. Gittes is making toward new treatments for Type 1 diabetes, and projects like this would not be possible without donors like you. Your philanthropy ensures Dr. Gittes and his team are equipped with the most advanced technologies and resources, empowering them to continue paving the way toward a cure.

Thank you for giving hope and healing to so many kids and families affected by Type 1 diabetes. The backing of organizations like the Blair Type 1 Diabetes Foundation makes all the difference.

Sincerely,
