

January 2021

Dear Friends,

I hope this letter find you healthy and safe in such unprecedented times. 2020 was certainly an unforgettable year. Hopefully 2021 will bring some much need hope and relief!

After careful consideration, the Blair Type 1 Diabetes Foundation has decided not to hold our annual Gala in 2021. The T1D community is too vulnerable to come together as a family this year – for that matter, it is too dangerous to bring all of us together right now with the highly contagious, sometimes deadly COVID-19 pandemic. The gala is our major fundraiser each year. I am writing to thank you for your past support and ask for your continued support of Blair Type 1 Diabetes Foundation. Please help us raise funds for **cure-based research** for T1D – our Foundation's primary goal. We are also striving to raise awareness about the disease and create an outreach community for those inflicted with and those caring for loved ones with this deadly disease.

All money raised will be designated for type 1 diabetes cure-based research programs. Over the last four years, we have donated \$137,000.00. Thank you to all who helped us achieve such amazing success! #TAKE1DOWN!

Donations may be made payable to: BT1DF-CPCF.

Please remit to:
